Times have changed. There used to be a time in which the majority of Americans believed in God and even professed some form of Christianity.

Sadly today, Christianity has fallen under attack as more and more people compromise their faith or completely turn their back on God.

He is the author of *Convicted: A Scientist Examines the Evidence for Christianity* and the coauthor of the books, *The Truth About Human Origins*, *Dissecting the Truth*, *Investigating Christian Evidences*, *Matters of Life and Death*, *Diamonds in the Rough: Nuggets of Truth from God's Word*.

Dr. Harrub has authored or co-authored numerous scientific publications in science journals and has done mission work in Russia, Ukraine, New Zealand, and Nicaragua. Currently, he serves as the Director and cofounder of Focus Press and as co-editor of Think magazine, a monthly magazine on Christian evidences.

Dr. Harrub conducts 40 "Truth About Origins" weekend seminars each year.

He and his wife Melinda attend the Woodson Chapel Church of Christ in Nashville, TN. They have four children.

Brad Harrub holds an earned B.S. degree in biology from Kentucky Wesleyan College, and an earned doctorate degree in anatomy and neurobiology from the College of Medicine at the University of Tennessee in Memphis.
